## **Vaccination Certificate Policy**

Mairangi Bay Bowling Club prides itself on being an organisation that puts the health and safety of our community first by encouraging our members and staff to be vaccinated against COVID-19, so that we can reduce the risk of exposure and transmission of COVID-19. It is important that we provide members, bowlers and visitors with a safe community, in which they can play bowls and enjoy our company. A safe community is a COVID-19-free community, and currently the best protection against spreading COVID-19 is vaccination.

As a condition of entry to our workplace and events, **anyone** that enters our workplace or events aged 12 and over must:

**Agree to provide, written or electronic evidence of their COVID-19 vaccination certificate to a Mairangi Bay Bowling Club representative, on request.**

Variations to this condition of entry:

- Evidence of a COVID-19 vaccination received other than in New Zealand will be accepted if the evidence is standard in the relevant country, and it has been accepted by the Ministry of Health.
- A vaccination exemption has been granted by the Ministry of Health.

Mairangi Bay Bowling Club reserves the right to restate its position as we learn and understand more about how New Zealand manages the fight against COVID-19 in our communities and workplaces. This policy is effective on 1 December 2021 or when the Covid Protection Framework is in place and will be reviewed again no later than 30<sup>th</sup> April 2022.
