With two first-class natural greens and a comprehensive playing programme we can all look forward to a great season's bowling. Coaching sessions will be available to members wishing to develop their game and achieve their personal bowling milestones.

Mairangi Bay Bowling Club prides itself on the goodwill and fellowship that prevails within the club. I hope you will all enjoy the facilities.

I wish you all an enjoyable and successful season at whatever level of bowling you participate.

CODE OF CONDUCT

Mairangi Bay Bowling Club is a bowling club dedicated to providing facilities to enjoy social, friendly and competitive bowling and social activities for members and their guests. Participation in our programme is subject to the observance of our rules and procedures.

To this end a Code of Conduct has been developed to encourage fair and ethical treatment of all members and visitors and it is expected that they will abide by this Code of Conduct at all times. Further, they must recognize that any breach of the Code may result in disciplinary action under the Mairangi Bay Bowling Club's Constitution.

The Code of Conduct requires:

- Respect to all members, visitors and officials.
- Refrain from any form of abuse, harassment, violence, obscene language, discrimination and/or racism towards others at all times.
- Refrain from any corruption, drugs, intoxication or other dangers to members and others at all times.
- Special caution when discussing sensitive issues with members. Remember someone may mis-interpret your actions no matter how well intentioned.
- Always be a positive role model and play fairly within the rules of the sport; Compliance with the rules of Bowls North Harbour (BNH) and Bowls New Zealand (BNZ).
- Never act in any way that may bring disrepute to Mairangi Bay Bowling Club as a club and its members.

GENERAL INFORMATION

CARPET GREEN:

To preserve the life of this artificial green, please adhere to the following:

- Wear normal bowling shoes for both practice and play.
- No smoking on or around the green.
- No chalk marks on the carpet surface.
- Carry scoreboards and bowling bags around not over the bowling surface.
- Do not use polish/grippo on your bowls.
- Ensure the shed is locked and gate closed if you are the last to leave.
- Avoid dumping of bowls during delivery to protect the green. Continued activity in this regard may lead to other measures being imposed.

CANCELLATIONS:

We are reluctant to cancel tournaments too early as the weather can be changeable in the morning. If the weather is so bad that a cancellation is obvious (i.e. prior to 8.00 am) then it will be posted on the club's website. The member who entered the team into the tournament will be notified by email and should inform his/her team members. However, if there is some doubt about it that early and the cancellation is not on the website and the tournament is subsequently cancelled the tournament convenor, assisted by others, will notify the skips of the cancellation. For Centre events please refer to the Centre website, www.bowlsnorthharbour.com

CAR CHARGES:

As a passenger in a car going to play in a team tournament, please offer some money to the driver to help defray vehicle costs.

CLOSING DATES AND TIMES:

The closing dates and times of events are indicated in the Event Entry provisions of the booking system. They are required to allow Tournament Organisers to prepare for Events and do draws etc. Please take note of these to avoid missing out on an event as they will be adhered to.

CLUB CAPTAINS:

If something at the Club is concerning you it would be helpful if you talked it over with one of our Club Captains who will endeavour to resolve your concerns in a confidential and private way

CLUB EQUIPMENT STORAGE:

Players are requested to put away all gear in the equipment room at end of play. This includes all jacks, mats, scoreboards (cleaned please), scrimm etc. If scrimm have been used ensure that all nails are recovered. Double check that none are left in the green because they can cause serious damage to equipment and greens.

Should the storage shed be locked there is a key in the Match Committee room adjacent to the door. Please ensure the padlock is correctly secured

COACHING:

Irrespective of how long you have been playing, an annual "check-up" by a coach, could do wonders for your game!!! But you need to make the first move and contact a coach and arrange a time to suit.

CONSTITUTION AND RULES:

The Club is administered under a Constitution and

Rules which provide precise definitions. Members are encouraged to read the Constitution and be aware of their obligations. This Handbook is written in a more general nature to assist members and does not replace provisions of the Constitution and Rules.

DRESS ON GREENS:

Flat soled shoes must be worn at all times. Hats or caps are optional.

For all half-day events muffti may be worn. Muffti is smart casual attire including blouse/shirt (with collar), skirts/trousers or tailored walk shorts, socks and approved footwear. Tee-shirts, beach shorts and jandals are not permitted.

Muffti may be worn at other times during the weekdays, practice, and self-arranged competition play when the greens are not being used for club championships or tournaments.

Unless otherwise specified, for all-day tournaments club shirts, white shirts or team shirts may be worn with white/trousers/shorts/skirts/skorts or alternative Hunter Royal Blue (blue as in our club shirts) trousers/shorts/skirts/skorts (which are available from the Hunter Bowls shop located at Royal Oak Bowling Club 146 Selwyn Street, Onewunga.

Hunter Royal Blue is a specific Blue and the only blue approved.

For club championships, club shirts or white shirts must be worn with either white trousers/shorts/skirts/skorts or the alternative approved Royal Blue trousers/shorts/skirts/skorts which are available from the Hunter Bowls shop. All team members must be similarly attired.

For all Centre events and when representing the club, club shirts must be worn with either white or approved Royal Blue trousers/shorts/skirts/skorts. All team members must be similarly attired.

The Event Convenor (or his or her appointed deputy) of the activity taking place on the club's greens shall have the sole discretion as to whether a player's dress (including footwear) conforms. The Convenor (or deputy) shall endeavour to resolve the dress problem in a manner amicable to both parties.

Club tracksuits may be worn for any events and competitions.

ENTRIES FOR CENTRE EVENTS:

Entries for Centre tournaments are to be made online with Bowls North Harbour by the individuals or a member of a team for team events. Payment of the entry fee is to be made directly to BNH and not via the Club. You will need a BowlsHub number to enter these events. These are noted under the Membership List in this Handbook.

Entries for Centre events when representing the Club e.g. Pennants, Interclub, Champ of Champs, Winter and Cadness Cups will be made by the Club and the Club will pay the appropriate entry fee to BNH.

Members are reminded that when representing the club (e.g. Pennants, Interclub, Centre Championships, Champ of Champ events) the latest club shirts must be worn and in team events all members must wear these shirts.

GREENS MAINTENANCE DAY:

Monday is greens maintenance day and unless authorised by the greenkeeper there will be no play or practice on Knightsbridge and Mayfair greens on a Monday. This enables the greenkeeper to carry out any work required uninterrupted and gives the greens a rest.

HANDICAPS OF CLUB MEMBERS:

A Senior is a player who has been a full member of a club or clubs exceeding five years. A Junior is a 1-5 year

player who has been a full member of a club or clubs for a period not exceeding five years. The handicaps for Women and Men are posted on the noticeboard in the clubrooms. Individual handicaps are combined for Handicap Pairs events.

JACKS

We have two types of Bowls Jacks.

The Mustard and Yellow jacks are for use on our carpet greens only.

The brighter yellow ones are lighter than the mustard ones, with the mustard ones the preferred jacks for the carpet green. These carpet jacks are heavier and move less when hit.

Our white jacks are for use on the grass greens only and are lighter than the carpet jacks.

Please ensure they are put back in the right areas, so they are not mixed.

Some bowlers with sight issues may request a white jack on the carpet green, which is easier for them to see, and this is quite acceptable.

MATS

Our bowling mats are not a cheap item.

Please look after them.

Do not throw them around, always place them back on the bank or in the trolley, ensuring they are sitting flat.

MEMBERSHIP CARDS:

Members, please have your cards available when on Club premises and at other clubs.

NOTICE BOARD:

Watch for information posted on the website & notice boards. Changes in the programme may be necessary

and the website and notice boards will be used to convey such information and any other announcements on Club activities.

PRACTICE:

A member may practice at any time on the Carpet green. Practice on the natural surface "M" and "K" greens, is available (but check the Club programme first) or in the afternoons after organised play has finished for the day except on Monday. Players wishing to practice whilst a Tournament is in progress on the same or adjacent green(s) are asked to gain permission from the organiser of that activity before commencing practice.

NB: Always check and comply with the greens open/closed and direction of play board by the Match Committee Room and follow any instructions of the greenkeeper displayed on the greenkeeper's notice board.

SELECTORS GUIDELINES:

From time to time as selectors we have been asked the criteria and principles we apply in our considerations.

Previous selection panels have developed an approach to team selection and the current panel have confirmed this approach and as we are happy for every club member to be aware of it, this is available to anyone who asks for it.

The criteria and principles contribute to the successes achieved by the Club members at various levels of which we are very proud.

To begin with we try and provide opportunities for all members that are available to represent the Club. We do need to balance the need for reserves, particularly for multi-weekend events but we will always try and give everyone a game where possible.

Other principles we apply to our approach are as follows:

1. **Continuity** – we try and select players who have played and succeeded for us before at the level we are selecting. We are loyal to our players for the commitment they have made to the Club.
2. **Culture** – we have worked on developing a team culture where players have fun, work together and those in the squad are interchangeable and able to play with each other.
3. **Consultation** – we regularly talk to senior players and coaches to get their view on combinations that will work to perform under pressure and their interpersonal relationships.
4. **Combinations** – we believe tried and true combinations are important including their ability to perform under pressure and their interpersonal relationships.
5. **Competency** – we look for players who have performed at a high level, won or performed consistently in Centre events such as pennants and interclub, and can perform in the likely match ups at these levels.
6. **Club** – we expect players to be involved in our Club activities. It is recognised that some members may have family and other personal commitments that limit their involvement.
7. **Consistency** – we expect members to participate in Club Championships, centre events and Bowls North Harbour representative play when selected, and results in all these areas are factors in shaping our selections.
8. **Commitment** – we expect total commitment to your selected team and event, regardless of the weather and

the team results.

SMOKING POLICY:

There is to be no smoking or vaping at all times within the boundaries of the club's property.

SUBSTITUTES/REPLACEMENTS:

Subject to the Controlling Body's approval a substitute and/or replacement (acquired) team member may be permitted in a Pairs, Triples or Fours team. Refer to Bowls NZ Laws of the game.

TOURNAMENTS AND CLUB DAYS:

All bowling events are listed in the Programme pages of the Members Handbook.

Unless otherwise stated, entry in these events is via the club's Tournament Entries facility on the club's website. Take note of closing dates / times for entries. [www.mairangibowls.org.nz]

For team events you must enter the names of all the players in that team – not just the skips name followed for example by "others" or "TBA".

Please note that when you are entering an event you are making a COMMITMENT to the event convenor and the other players/teams so you must turn up to play at the appointed time.

If an individual in a team has to withdraw from a team, he/she should advise the skip who should do their utmost to find a replacement player.

If an individual [in a singles event] or a team has to withdraw from an event the Tournament Convenor [whose name is shown in the entry details] should be advised ASAP so that another entry can be arranged in time to avoid a bye if possible.

We hope members will participate in as many casual and organised club days as they can. They are played in a relaxed atmosphere, and it is a great way to mix casually with other members.

There are many Single Entry & half-day events as shown in the programme and these can be entered using the online Tournament Entry facility mentioned above. This should be done well in advance of the event date to enable the convenor to make up the draw.

TROPHIES:

All trophies will be presented to the winning teams. Photos will be taken on the day.

UMPIRES:

We are very fortunate to have an experienced team of umpires ... but we can still do with some more!! Contact one of our umpires should you wish to know more about the rules of the game and becoming an umpire.

VISITORS:

Members are reminded that non-affiliated guests to the club using our bar facility must be signed in to comply with our liquor licence.

SUBSCRIPTIONS:

Subscriptions are due and payable during September and cover a twelve-month period. If a member has not paid the subscription by 1 October, then they become unfinancial and cannot participate in any bowling event until payment in full is made.

BOWLING ETIQUETTE

DO

1. Be ready. Always be on time for the start of each game.
2. A game of bowls starts and finishes with a handshake.
3. Visitors are made welcome.
4. When ready to bowl, check the next rink and see if another player is about to bowl.
5. First names are used on the scoreboard. Club or Centre names are used in Centre and Inter-Centre competition.
6. Make sure that the path of the bowl is clear to avoid hitting another bowl.
7. Remember that your opponent has possession of the rink as soon as your bowl comes to rest.
8. Take an interest in the game and follow how the head is building so that you do not have to ask other team members.
9. Be ready to step on the mat with your bowl when it is your turn to deliver. This saves time.
10. Help clear the head after the result has been determined.
11. The team winning the last end should be ready as soon as possible to place the mat and deliver

the jack for the next end. Time wasted with delays can mount up during the course of a game and may have an effect on the result of a "time limit" game.

12. A losing team member should enter the result of the end on the scoreboard.
13. Show a good spirit – win well and lose well.
14. Walk quickly when changing ends and walk within the confines of the rink you are playing on.
15. When changing ends ensure that your skip's bowl is near or on the mat if it is his/her turn to bowl.
16. If you are standing on the head remain motionless when a player is about to bowl.
17. It is courteous for the opponent to pick up the mat and place it on the bank after the last bowl has been delivered.

DON'T

18. Do not encroach on the adjoining rink when delivering a bowl.
19. Do not talk when another player is about to deliver a bowl.
20. Do not criticize bowls – either from your own team or the opposition.
21. Do not linger on the head and thereby obstruct the delivery of your opponent's bowl.
22. Do not walk around talking to other bowlers

participating in other games. Allow them to concentrate on their own game.

23. Do not pass or walk in front of the player who was the last to play – they have the right to see how their bowl progresses.
24. Don't forget to thank the organizers, markers and umpires who make your competition possible.
25. In triples and fours events, those not bowling or attending the head should stand off the green.

CLUB CHAMPIONSHIPS

CONDITIONS OF PLAY

All Club Championships will be run in accordance with Bowls New Zealand Laws and Regulations and North Harbour governance in respect of dates, conditions etc. Club Match Committees, both Men's and Women's, may amend conditions if necessary to ensure a fair and successful completion of Club Championships.

PLAYERS MUST BE AVAILABLE FOR ALL DAYS INCLUDING RESERVE DAY FOR THE EVENTS

GAME FORMATS

In general, the following formats will be considered by the Match Committees depending on the number of entries and other factors.

Qualifying rounds will usually apply and will consist of no more than three games. With the exception of singles, the objective will be to complete each event in a single weekend. All players must be available for all days, set down including the reserve day before entering the event.

The Match Committees will select from the following format options:

- (a) Open draw with three and two winners to qualify. In the event of less than four (4) qualifiers a round robin will be played to determine the winner.

- (b) Sections of four teams to play a round robin with the section winner or top 2 to qualify
- (c) Two-Life system when team entries are limited, and the event can be completed within the designated two days

CONSISTENCY SINGLES (MIXED)

The winner of the game is the first player to reach 100 points. Each end is scored four points for the bowl closest to the jack, three points for the bowl second closest to the jack, two points for the bowl third closest to the jack and one point for the bowl fourth closest to the jack. If a player kills the end the opposing player wins five points. No handicaps apply. If the game is tied after reaching 100 points an extra end will be played. If still tied after the extra end, the player holding shot on the extra end will be the winner.

GENERAL

All ends must be played to ensure that a correct shot differential is obtained when that condition applies. In handicapped events, both players/teams must include their respective handicaps on the first end in total (not just differential).

Players and markers must report to the relevant committee at least fifteen (15) minutes before starting time or earlier for players who wish to play trial ends (where applicable). Entry Fee for all Club Championship Events is five (5) Dollars.

Kindly avail yourself for pre-match preparations – greens, boards, marking etc.
